

SIGHTS AND INSIGHTS

Vol. 55, 1977

Salem College

Winston-Salem, North Carolina

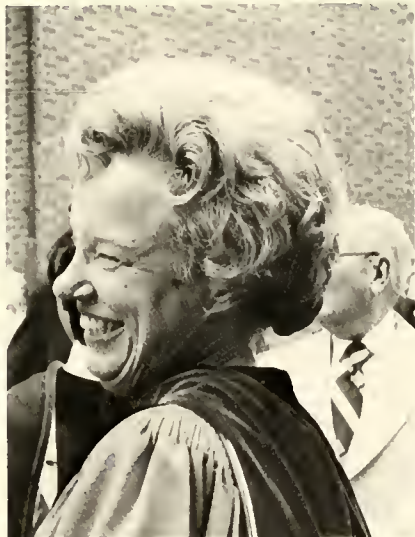

Gramley Library
Salem Academy and College
Winston-Salem, N.C. 27108

The SIGHTS AND INSIGHTS staff and the Senior Class
dedicate the 1977 SIGHTS AND INSIGHTS as

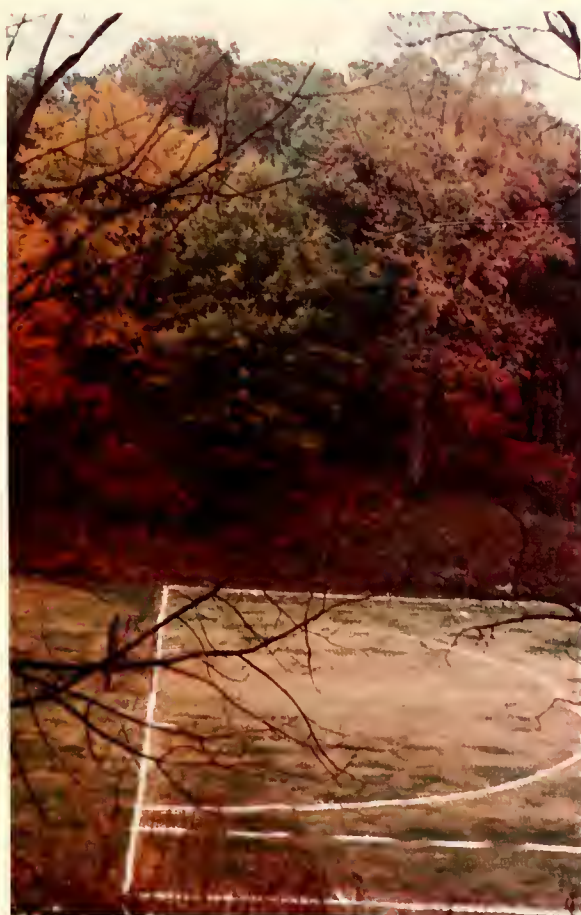

A TRIBUTE TO EXCELLENCE

to
a teacher — who continues to learn
an historian — who can look both backward and
forward
a scholar — with a full mind, still open
a mentor — committed to knowledge but only when
mixed with understanding and wisdom
an advisor
a listener
and, most of all,
a friend . . .
Dr. Inzer Byers

PEOPLE

ADMINISTRATION

Dr. Merrimon Cuninggim — President of Salem College and Academy;
Mrs. Whitty Cuninggim

The distinction of Salem
is not so much in its age
as in its zestful maturity of outlook,
is not so much in its external beauty
as in its internal quality of life and program,
is not so much in its smallness
as in its sense of community that smallness
makes possible,
is not so much in its being sanctuary
as in its relatedness to the world.

(From Dr. Cuninggim's Inaugural Address)

Class Song

Kiss today goodbye
The sweetness and the sorrow
Wish us luck, the same to you .
But we can't forget
Years we've shared and loved
Years we've shared and loved.

Now it's time to go
The dream was ours to borrow
It's as if we always knew . . .
But we can't forget
Years we've shared and loved
Years we've shared and loved.

Gone . . .
But memories will live on
As we travel on
Memories last forever.

Bid today goodbye
And point us toward tomorrow
Wish us luck, we're on our way
Won't forget, can't forget
Years we've shared and loved
Years we've shared and loved
Years we've shared and loved

(to the tune: "What I Did For Love")

Class Song

Time spent learning
Years pass, the seasons turning
But the knowledge gained here
It will last forevermore.

Salem, Salem
We feel at home at Salem
While you're well within it
You are ever happy here.

Friendships growing
And in our hearts we're knowing
That the time we spend here
We will treasure forevermore.

Salem, Salem
We feel at home at Salem
While you're well within it
You are ever happy here.

Class Song

We love you
We love you so
We love you now Salem
We love you so . . .

People say that Salem Girls
They really got it all together
Hey now, that's o.k.
And we're proud to say
The Sophomore Class has never been better
Oh how well we'll remember these days
We'll cherish in every way.

Sometimes we sit
We sit down and laugh
It really tickles us inside
Nights at T O G. and fraternities
And the times we nearly missed our rides
Oh how well we'll remember these days
The hairband and topsider craze.

When we look back
On those mellow times
The times we shared our deepest dreams
We can't help but shed just a tiny tear
And wonder how the future will seem
But we won't dream our lives away
We're going to live day by day.

People say the Sophomore Class
We really got it all together
Hey now, that's o.k.
And we're proud to say
Our sisterhood has never been better
Oh how well we'll remember these years
The friendships, the laughter, and tears.

Class Song

We've only just begun to live
New lives at Salem now
We help each other
We're learning how
We've only just begun to know

Homework and themes to do
We've got so much, we're so very new
But we will make it through
Together
Together . . .

And as the years go by
We'll laugh
Life is so long to live
And while we're here
We've got lots to give
Each other . . .

And yet we've just begun
And yet we've just begun .
